Studio Rates and Policies.

Rates

We have a standard rate of \$25/hour, billed in 1/4 hour increments, which is all inclusive. Payment is due at the end of each session and may be made by cash or personal check. Rough mixes will not be released and future sessions will not be scheduled until the session is paid in full.

There is a \$25 fee for any sessions cancelled without 48 hours notice.

The fee will be added to the bill for your next session.

Starting Time

Billing will begin at your scheduled starting time. Be prompt!

Rough Mixes

Rough mixes can be provided at the end of each session, or whenever you choose. Time to create and burn the rough mixes to CD will be charged at the standard studio rate.

Groupies

Space is limited in the studio and control room, so we ask that you not bring friends along just to "hang out". You want to focus on your project - not on entertaining your friends. When guests are unavoidable, we will make every effort to accommodate them, but, be aware that added distractions tend to decrease the pace and productivity of the session.

Controlled Substances

Parallel Productions is a smoke and drug free studio.
